

Directions to the church – blue route on the map. (These directions assume that wherever you are coming from you will get onto the A55, from either the A51 or the M53)

- Take the A55 for North Wales.
- At junction 35 (*which is after J35A!*) of the A55, turn off the A55 – this exit is signed A550 Buckley. Go down the slip road to a roundabout and take the first exit – Signed A550 Wrexham. Along this road you will hit three roundabouts. At all three take the second exit - all signed for the A550 to Wrexham!
- After the third roundabout continue for just under two miles. You will enter a 40mph zone and pass a ‘name plate’ for Hope.
- Just after Hope motor company (which you will see on your left) turn right, following signs for the A550 Wrexham.
- The St Cynfarch’s church is immediately on your left (turn left into the car park at the 30mph sign!)

Directions From the church to Soughton Hall – red route on the map.

Just in case you see people disappearing in different directions there are other routes that the locals might take but they are difficult to explain!!

Reverse the above route back to the A55. (i.e. turn right out of the church and follow the A550 back over the three roundabouts towards Queensferry).

- At the 4th roundabout take the 2nd exit – signed A55 Conwy.
- At junction 34 turn off for the A55 Conwy and keep in the left hand lane and at J33B follow the A494 for Mold
- You will pass through a set of traffic lights, enter a 40mph zone and pass through the village Alltami.
- Continue through another set of traffic lights (you will see the ‘Goldmine Pub’ on your right)
- At the roundabout take the second exit - signed A5119 to Mold.
- You will enter a 30mph zone and come to a set of traffic lights.

For those of you who have booked into the Beaufort Park Hotel for the night you will see it on your right at this point – so just reverse the next bit of the route to get back here at the end of the night! (I’m sure the hotel will be able to order you taxis if you want them but here are the numbers of a couple of local companies Stanways Private Hire 01352 756669, Sureway Car Services 01352 752122)

- Go straight on at the lights, travel along a section of dual carriageway and enter another 40mph zone.
- At the next set of traffic lights turn Right – signed (badly) for Northop.
- Travel for just over a mile from these traffic lights, through Soughton Village and you will see a speed camera then a turning on the right hand side - Brown sign for Soughton Hall.
- Follow this road for a few hundred yards and take the first left hand turn.
- After a couple of hundred yards take the next left turn into Soughton Halls drive way.
